And What Have You

By BOB CRAIG

The Pipers will open district play here Friday night with the Winters Blizzards and they need your support. The practice games are over now and beginning this week the games are for real.

While the Pipers are still looking for their first win of the season, their chances for this first victory should get better as they enter district play. It is doubtful if there is a team in the district as strong as Colorado City, Coahoma or Childress. Not too many have done very well with Clyde either for that matter.

These kids and their coaches have worked hard all fall and deserve your support each Friday night. It is unfortunate that the boys and coaches were not able to work together this past spring for this is when football teams are built and games are won.

The coaching staff has done the best it can with the short time it has had with these boys and we believe that it is beginning to pay off. It just has been unfortunate that as the team gets better the opposition has been getting stronger.

Maybe this week as we start playing in our own league we will be able to put it all together and get that first all important victory.

Let's all back the Pipers Friday night.

It is now less than three weeks until election time and we hope that you have registered and if you have will take the time to give serious thought to this election and then will go vote. The only way that there is any hope that this nation will stay in the hands of its people is for them to vote.

We have noticed that newspapers across the country are beginning to let their choices for the different offices be known through their editorial columns. We have often wondered if this was a necessary function of a newspaper and also have wondered if it has ever had any real effect on any election. We suspect that the editorial voice of this nation's newspapers have had far more effect on the lesser known offices and issues, such as amendments, judges and other offices where the candidates are not so well known.

When it gets to the big ones, such as president, senator or governor we suspect that most people vote their

Nominations Now Open for ASC Committeemen Election

Jones County farmers are encouraged to nominate candidates for Agricultural Stabilization and Conservation (ASC) community committeemen, reports R. B. Rowland, Jones County ASCS Executive Director. Petitions, to be signed by a minimum of three qualified voters, must be filed by October 27, 1972, at the Jones County ASCS Office in Anson.

"We are hopeful a slate of at least six candidates will be nominated in each community by farmer petitions, including representatives of the minority groups in the County," said Rowland. ASCS programs are non-discriminatory and administered without regard to race, color, creed, sex or national origin.

Eligible farmers may sign as many nominating petitions as they wish. No special petition form is required, but the petition must include a statement that the nominee is willing to serve if elected. Most persons eligible to participate in ASCS programs are eligible to serve as ASC committeemen.

This includes producers, sharecroppers, tenants, and minors who supervise an entire farm operation.

Nominees must have farming interests within the ASC community, be qualified ASC voters and not have reached their 70th birthday by the date they take office. Further details on nominations for ASC community committeemen may be obtained from the Jones County ASCS office, Anson, Texas - phone No. 823-3321.

ASC Community committeemen elected by mail ballots December 1, 1972, will assist the County ASC Committee with ASCS programs, conduct farm community meetings, and serve as delegates to the Jones County Convention to be held at the Jones County ASCS Office in Anson on December 15 at 8:30 to elect the county ASC committee.

H. L. Ford Elected SCS Zone Director

H. L. Ford of Hamlin was elected to a five year term as director for zone 4 of the California Creek Soil Conservation District, Monday evening at Anson High School. Ford replaces Bill Pritchard of Stamford.

Ford comes to the board with an outstanding conservation farming background. He completed a Great Plains conservation program on his farm carrying out such practices as brush control, range seeding, and parallel terraces. He is in the process of building a waterway at this time. Ford has kept current on the latest conservation happenings and has always been willing to try new and better ways of conserving natural resources.

The District Board is composed of five agricultural land owners one each from the five zones. R. V. Earls, zone 1; Birger Haterius, zone 2; Jimlee Baucum, zone 3; Ford, zone 4; and Elmer Boedeker, zone 5.

Anson Sets Homecoming Activities This Weekend

Homecoming activities for all Anson High School ex-students and teachers will be held Friday and Saturday, Oct. 20-21.

Registration will begin Friday from 1 to 4 p.m. in the high school gym, with a Pep Rally scheduled in the gym at 2:15 p.m.

The Anson Tigers will meet the Haskell Indians in their first district ball game at 7:30 p.m. on Tiger field, and registration will continue at the football field for exes from 6:30 to 7:30.

During halftime activities at the game Friday evening, the Coming Home Queen will be presented. Nominees for the honor are: Mrs. Maxine Rogers Edwards, class of 1939; Mrs. Mildred Hammack McIlwain, 1929; Mrs. Pudge Rushing Spraberry, 1954; Mrs. Jimmie Sue Rainwater Thompson, 1947; Mrs. Maurine Littlefield Blackley, 1930; and Mrs. Billie Mays Cremons, 1948.

A reception will be held in the

high school cafeteria following the game, and the Coming Home Queen and nominees will be in the receiving line with the officers of the AHS Ex-Students Assn.

Officers are: president, Dudley White; vice president, Gene Spurgin Jr.; and secretary-treasurer, Mrs. Jack Pitcock.

The Homecoming Program will be held at 10 a.m. Saturday, Oct. 21, in the high school auditorium. Dr. Bob Smith of Dallas will serve as emcee of the program which will honor Pat Patterson of Sweetwater, former AHS Band Director, and Members of his "Million dollar bands" of the 1950's.

A luncheon prepared by Mrs. Edna E. Beck and members of her homemaking classes of Anson High School will be served at noon in the high school cafeteria. Tickets will be \$2.00 per plate.

Pipers to Open District Play Here With Winters

The Hamlin Pied Pipers and the Winters Blizzards will open their bids for the District 6-AA title here Friday evening. Kickoff is set for 7:30 p.m. in Piper Stadium.

Last week the Blizzards were taking the week off getting ready for this district opener while the Pipers were being defeated by the highly ranked Childress Bobcats, 43-12.

A full slate of district games are on tap this week with Haskell at Anson and Stamford at Ballinger.

Quarterback Milton Jones is expected to be back in the line-up for the Pipers this week after missing most of the Childress game last week because of a knee injury suffered in the game with Coahoma.

Winters has scored 89 points this season while giving up 106 points in compiling their 3-2 record. This compares with Hamlin's 60 points while giving up 153.

Winters has the second and third highest scorers in the district in Jerry Mac Jackson with 40 points and Lee Choate with 37. Hamlin's Johnny Jones is fourth with 30 points.

A Pep Rally will be held at 7:30 p.m. Thursday at Piper Stadium. The entire community is invited to attend to show their support and best wishes for a successful district season.

Probable starters for the Blizzards will be Kirk McCuiston (150, Sr.) at tight end, Luther Smith (210, Jr.) at left tackle, Denny Heathcott (140, Jr.) at left guard, Barry Marks

(160, Sr.) at center, Ricky Mathis (170, Sr.) at right guard, Rodney Richards (185, Sr.) at right tackle, and Scott King (150, Sr.) at split end.

Running the Winters Wishbone attack will be Oscar Torres (155, Sr.) at quarterback, Johnny Liggins (150, So) at fullback, Choate (190, Sr.) at left halfback, and Jackson (180, Sr.) at right halfback.

Meeting of Parents Set On Girl Scout Program

All Hamlin parents interested in their daughters becoming a Girl Scout are cordially invited to meet tonight (Thursday) at 7:30 p.m. in the cafeteria of the Hamlin Primary School.

Sheila Moss, West Texas Girl Scout Council staff member, will explain the Girl Scout program for girls in the first through the eighth grades.

"The Girl Scouts of the U.S.A. is an organization that helps girls grow to be happy, resourceful citizens in their

world of tomorrow. The program supplements the opportunities and activities of the home, church, and school," Miss Moss said.

In order to offer Girl Scouting to girls, the organization depends upon voluntary leadership by interested adults. Previous knowledge and experience is not required and training is offered by the Council at no cost.

Miss Moss will answer questions at the meeting. She assures all interested will be given the opportunity to become involved as adult volunteers.

Salvation Army Fund Drive Breakfast Set

A breakfast Tuesday, Oct. 24 at 7 a.m. at Hamlin Restaurant will be held to kick off the annual fund drive for the 1972 Salvation Army.

Joe Ford, chairman of the local service unit, announced that James F. Wright will be the 1972 campaign chairman.

The goal set for the current campaign is \$700. Wright asks the aid of all area residents in this worthwhile endeavor.

The money raised during this campaign will be used locally to help the less fortunate to help themselves. This aid will be given in the form of groceries, clothing, shoes, medicine, medical aid, or any other form deemed necessary by the local committee. Part of the money will be used to support the following state agencies: Home and Hospital for Unwed Mothers, Summer Camp for Boys, Rehabilitation Centers for Alcoholics, Home for the Elderly and Disaster Services.

In addition to Mr. Ford the local committee consists of Mrs. Erma Wallace, Joe A. Hudspeth and Bob Craig as members.

Voting Sites For Coming Election Set

Sites for the Nov. 7 general election for the East and West boxes have been announced.

The West box will be in the Hamlin Public School Gymnasium at 245 S. W. Second, according to Miss Lennie Greenway, judge.

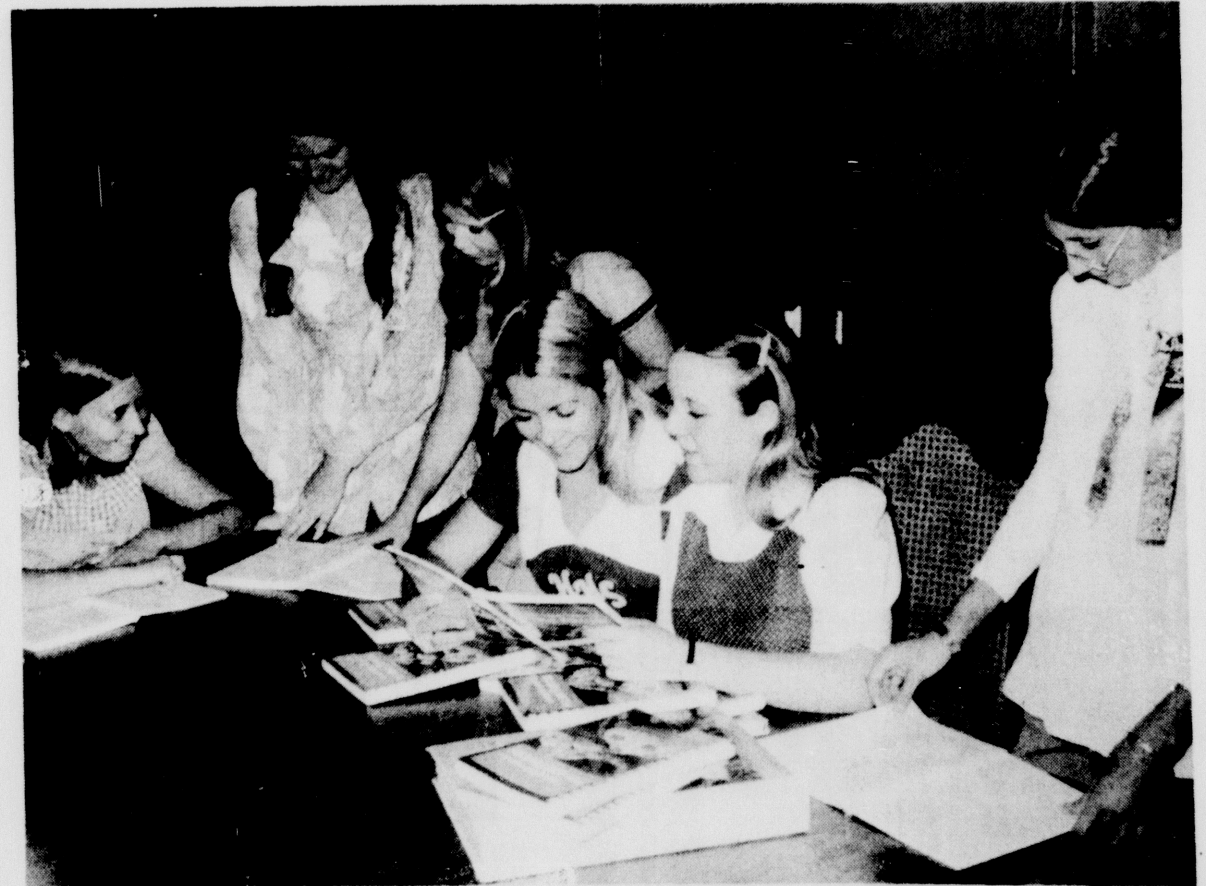

The East box, with A. B. Carlton as election judge, will be at Hamlin City Hall. City Hall will be closed for business on that date.

Polls open at 8 a.m. and close at 7 p.m.

Oak Grove Sets Dinner

Oak Grove Baptist Church Sunday School will serve a chicken and dressing dinner Saturday beginning at 6:30 p.m. in Fellowship Hall.

The menu will include chicken, dressing and gravy, buttered carrots, English peas, yum yum salad, Louberta's hot rolls, cake and iced tea. Plates are \$1.50 each. The public is invited.

GETTING READY FOR PROJECT — Future Homemaker of America members look over the new cookbooks members are selling as a project. The girls are finding several unusual and fascinating recipes in the "Pies and Pastries" edition of the Favorite Recipes of Home Economics Teachers Cookbook series. From left are Sharon Embrey, Yvonne Houghton, Debbie Woolf, Velanne Rowland, president; Kathy Ponder and Paula Herrera. The books were unpacked Friday and distributed for sale.

Slivers of soap can be recycled. Put the pieces in a jar, add a little water to moisten the soap, cover the jar and put it aside for a few days. Some coloring could be added to make the soap any color you want. Then put it in molds like cookie cutters or just roll into balls and put them in a cool place to dry.

You can lengthen slacks that shrink by adding a colorful trim to the bottom of each leg. If necessary, more than one row could be added. Also cover the waist band or grim the pockets with the same trim so it looks planned rather than added. Be sure to wash the trim before sewing it on to prevent another shrinkage problem.

FROM THE FILES . . .

FORTY-THREE YEARS AGO
 (October 18, 1929)
 Too much dust and too much heat this time of the year is not so good. Therefore the nice little rain that fell Sunday and Monday was very welcome. The roads are ideal now, and things are greening up for the coming of frost. It is getting cooler and there are hints that its time to set our houses in order for the "spell" that's coming sure and certain.

Gradually Hamlin is being brought closer to hard roads and therefore nearer to the outside world. The work on State Highway No. 93 is going right on. They are placing the second layer of stuff on the bed and within a few weeks the road between Hamlin and Stamford will be passable in almost any kind of weather.

State Highway No. 4 from Anson to Hamlin will soon be completed as far as the grade and drainage is concerned.

Excellent concrete bridges and drainage structures are all about finished.

In the last two minutes of play, Kral, full back and captain for the Roby High School Lions, plunged through the line for three yards and the only touchdown of the game was enough for Roby to defeat Hamlin 6 to 0.

TWENTY YEARS AGO
 (October 17, 1952)
 City street paving for Hamlin and recreational improvements for the community were named as the most needed projects for the Hamlin Chamber of Commerce, a preliminary check of the all-day clinic sessions staged last Thursday a under CC sponsorship revealed this week. Total of 162 people of the Hamlin community attended the eight clinic sessions staged in the basement of the First Methodist church.

Ex-residents and others of the Dovie community, five miles east of Hamlin, will attend an all-day homecoming at the community church, Sunday, November 9, as has been announced by community leaders.

Forty-four members of the Hamlin Chapter of Future Farmers of America were present for advancement ceremonies held in the high school cafeteria Tuesday, evening in connection with a meeting of farmers and ranchers of Zone 4 of the California Creek Soil Conservation District.

Jones County's official cotton ginning report for the period prior to October 1, 1952, looks mighty sickly beside those of previous years, and even when compared to that for 1951. Census reports shows that 349 bales of cotton were ginned in Jones County from the crop of 1952 prior to October 1, as compared with 2,500 bales for the crop of 1951.

TEN YEARS AGO
 (October 18, 1962)
 Two unbeaten, untied, state-ranked teams will collide here Friday night in the area's feature attraction as the Hamlin Pied Pipers play host to the Stamford Bulldogs. This contest is the highlight of an impressive opener for the title race in District 6-AA.

The Hamlin Lion's Club will hold their annual broom sale here Tuesday, October 23, at the corner of the Farmers and Merchant's National Bank building.

The Hamlin High School band was one of 17 Texas Bands to take part in the TMEA State Fair Music Festival held in the Cotton Bowl on the Fair Grounds in Dallas last Tuesday.

The Boy Scouts of Troop 43 are continuing their candy sale to finish paying for the bus which has been purchased for their use. The boys will travel on the bus when they go on scouting expeditions.

Holiday Lodge Service Set
 The Church of the Nazarene will hold services at Holiday Lodge at 2:30 p.m. Sunday.
 Special music is planned and the message will be given by the pastor, the Rev. Marshall Stewart.

NEWS AND VIEWS . . .
And What Have You
 —Continued from page one

own convictions or at least their emotions rather than following the lead of others.

But since it seems human nature for people to want their newspaper editor to stick his neck out once in awhile we will offer our views on some of the contests in the coming election.

For president we can see no other choice than Nixon. Four years ago we felt that Humphrey was too liberal for the good of this nation and that being the case we for sure cannot support Sen. McGovern. Compared to McGovern, even Humphrey is beginning to look good.

While we cannot rate Nixon as one of our great presidents we still feel that he has done a remarkable job for the trying times we are living in. We have not always agreed with his domestic policies but believe that from the standpoint of his foreign policies he will in time be termed one of our better presidents.

As for McGovern we have never seen a candidate for a high office offer us more reasons not to support him.

It seems that on almost every issue you can think of McGovern's views are foreign to everything this country has ever stood for. In fact the longer he campaigns, the harder it is to tell just what his views are.

While both men want to end the war in Vietnam, Nixon wants to end it with peace in that wartorn part of the world while McGovern just wants to surrender. While Nixon will not pull out until the question of the POW's is resolved, McGovern says he will surrender first and then beg for their release.

We cannot help but believe that the war would have ended a long time ago if it were not for the McGoverns, the Fullbrights and the Clarks. We do not believe that there will be a peaceful settlement in the Far East until the American people silence McGovern and his kind at the polls.

(One thing that continually amazes us is that while McGovern is for peace at any price in Vietnam he is critical of Nixon for not giving more support for the Jews in the Middle East. It was not until we realized that there are more Jewish voters in the United States than there are Vietnamese voters that we figured this out.)

As for McGovern's domestic policies (if you can call them policies) we are simply amazed that a grown man can believe he can solve all of this country's problems with taxpayers' money and at the same time claim to lower their taxes.

We realize that there are many Democrats that will vote for McGovern because he is a Democrat (or at least says he is) in spite of the fact that they do not believe in anything that he stands for.

While we realize that this is a fact of life, we still cannot understand it. It is our belief that the best thing that can happen for the Democratic party is for McGovern to go down in complete defeat. This is the only hope that the party will return to the control of the vast majority of this nation's Democrats.

The best we can figure from the results of the primaries is that less than 10 percent of the Democrats in this nation nominated McGovern. We do not believe that party loyalty should be so strong as to compel us to support this small majority's choice when we know that it is not best for this nation.

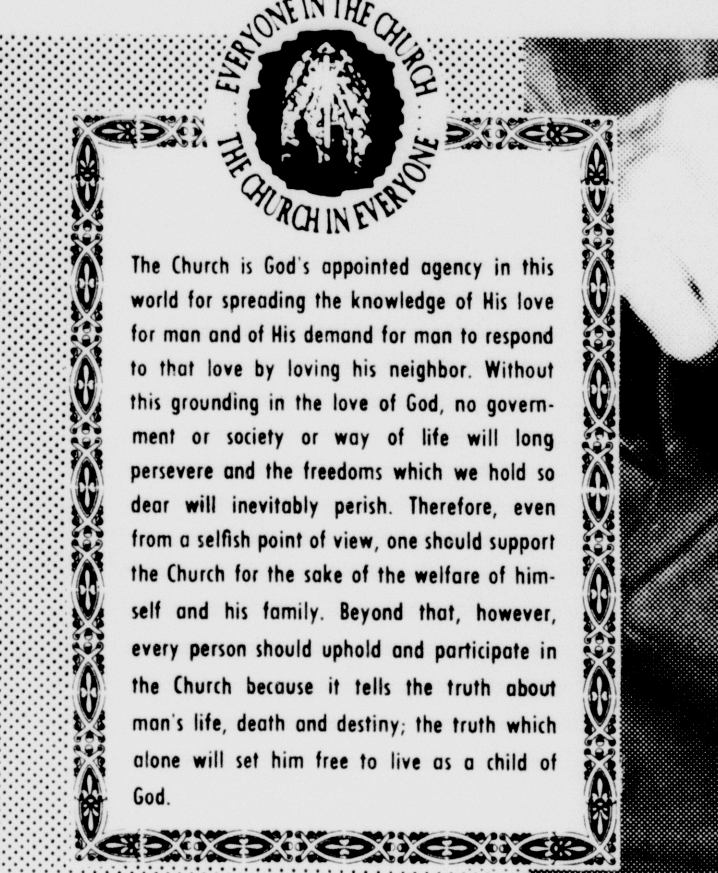

If you have qualms about not supporting your party's nominee, just remember that he threatened to walk out on the party if he did not get the nomination.

"REMEMBER, GRANDPA, WHEN..."

How Grandpa loves to hear that young voice say those magic words that mean, "We had good times together! I appreciate all the wonderful things you did for me when you were younger and able." Old folks love attention. They need it. They deserve to have it. They've spent their lives helping us, many times at the expense of their own desires and plans.

God commands us in Leviticus 19:32: "Thou shalt rise up before the hoary head, and honour the face of the old man, and fear thy God. I am the Lord."

Honor the older ones, too, by attending church this week and taking them with you.

Bobcats Power Their Way To 42-12 Win Over Pipers

The highly ranked Childress Bobcats proved to be too much of a test for the Pied Pipers Friday night as the Bobcats powered their way to 42-12 victory. Playing without their starting quarterback, Milton Jones, the Pipers were never able to put a consistent offense together against the strong Bobcat defense.

Jones, who hurt his knee in the Coahoma game, saw only very limited action against Childress in an effort to get his knee well before the district opener here Friday with Winters.

The Pipers stayed within range of the Bobcats during the first half on a kickoff return for a touchdown by David Willis and a pass and run play from Quarterback Willie Hooper to Johnny Jones for 71 yards and another score. The statistics on the two teams were about even at half-time but the Bobcats came back strong in the second half to completely dominate the game.

The Pipers failed to gain a first down on their first possession following the opening kickoff and punted to the Childress 27. It took the Bobcats 14 plays to cover the 73 yards needed for their first score with Larry Johnson scoring from the two. He went over left guard for the two-pointer. Johnson was the night's leading ground gainer with 178 yards in 30 trips.

David Willis took a short kickoff at his 25, broke through the front wall of would be tacklers and outraced the Bobcats to the endzone for a Piper score. A missed handoff cost the Pipers their two point try.

The two teams punted to each other until mid-way of the second quarter with Hamlin taking over on their own 31. A five-yard penalty put the ball back on the 26. Johnny picked up three yards to the 29 and Hooper had a pass go incomplete before connecting with Johnny on a short pass behind the Bobcat defenders. There was no contest as Johnny outraced the Bobcats to the goal line. A pass for the two points went incomplete and the Pipers were out in front, 12-8.

The Piper lead was short lived however, as the Bobcats put together a 56-yard scoring drive which took eight plays following the kickoff. A five-yard Piper penalty helped get the drive underway. Johnson scored for the Bobcats on a four-yard carry into the endzone. Kent Wood kicked the point-after.

The Pipers moved from their own 19 to the Childress 32 before giving up the ball on a pass interception as the half ended.

The Bobcats took the second half kickoff and drove 51 yards in seven carries with Johnson going the final 22 yards for the score. Wood's kick was good.

The Pipers drew a half the distance penalty following the kickoff and found themselves on the 10-yard line and needing 20

yards for a first down. Facing third and 17, Johnny found running room and picked the first down on 21 yard carry to the 34. This effort was wiped out on the next play by a fumble recovered by Childress on the Hamlin 36.

Five plays later Turk Nelson passed to Jerry Neel for 16 yards and the score. Wood's kick was again good.

The Pipers were just inches short of a first down following the kickoff and punted to the Hamlin 43. Eleven plays later Johnson scored again on a 12-yard carry. Wood kicked the point after.

The Bobcats took the next Hamlin punt on their own 34 and nine plays later Fullback Floyd Key scored from the 11. Wood kicked the point after to bring the score to 42-12.

The two teams exchanged punts the remainder of the game.

PIPER CAPTAINS — Members of the Pied Piper football squad elected captains Monday for the start of district play. Elected to serve for the remainder of the season were: left to right, top, Frank Willis and Roy Baker; bottom, Milton Jones and Joe Mayles. All four boys are seniors.

Neinda Philosopher Tackles, But Gives Up, Big Cities Financial Problems

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One struggles with another problem this week, without finding an answer.

Dear editor:
According to an article I found in a newspaper yesterday the cities of the United States

spent one and a quarter billion more dollars than they took in last year.

Revenues of all city governments in the country totaled 37.4 billion dollars last year, a gain of 4.7 billion over the previous year, but the cities spent 39.1 billion. In other words, they're going in the hole.

I got to thinking. That's

exactly the shape farmers were in when there used to be a farm problem. It was costing them more to produce a crop than the crop was bringing in, and the problem was wrestled with on all levels until it finally was whipped.

The way it was whipped was simple: farmers mostly just disappeared. From 55 percent of the population they dwindled to 40 percent, then to 20 percent, and now, finally, they're down to less than 7 percent.

When you're only 7 percent of the total population, with only 7 percent of the vote, you're no longer a problem.

Now with cities, I don't know. If they're taking in more money than ever before and still not making ends meet and still not meeting the needs of their citizens, the supposition might be, let nature take its course, what worked with the farm problem ought to work with the city problem, but there are some perplexing questions going unanswered.

For example, what do you do with a city that gives up? Tell its citizens to move to town and get a job? With an abandoned farm, you can always put it in grass and run cattle on it, but with a city, there's so much pavement and cement I'd feel sorry for the man who tried to graze it. Oh, there're some lawns you might run goats on, and backyard swimming pools would make fairly good stock tanks, but on the whole I'd say the range conditions in Abilene or Fort Worth would be of a very poor quality and hardly worth fencing.

I'm sorry, I just don't have the answer to this problem. I will try to work on it some more later.

Yours faithfully,
J.A.

The festival is sponsored by The Square Dance Clubs of Abilene, Anson, Dyess Air Force Base, Sweetwater, and Winters. Square dance clubs from throughout Texas are expected for the square dance extravaganza.

Eight top area callers will be on hand, with guest callers as time permits. Calling the tips will be Sleepy Browning, Jayton; Delton Lovelace, Abilene; Jack Mason, Sweetwater, Owen Renfro, Abilene; Raymond Calley, Brady; Ralph McMulle, Baird; Jay Lynn Moseley, Santa Anna; and C. L. Woods, Colorado City.

Spectators are welcome. There is no admission charge, but donations will go to The West Texas Rehabilitation Center.

Writer Likes Homecoming

Dear editor:

Once again I was privileged to walk down the sidewalks of Hamlin elbowing my way, to stop and greet friends and neighbors, who were close friends, and many whom I loved most dearly in past years. This was indeed a happy day — not only to me, but countless others — this was Saturday, Oct. 7, 1972, Homecoming for the ex-students, who made it possible for Hamlin and the folk of Hamlin to relive those good old days when the streets were filled and the sidewalks jammed with people — on Saturday.

When all of a sudden here comes the band — and a good one — followed by one of the best parades Hamlin ever had at Homecoming. So many renewed their good friendship — established years ago.

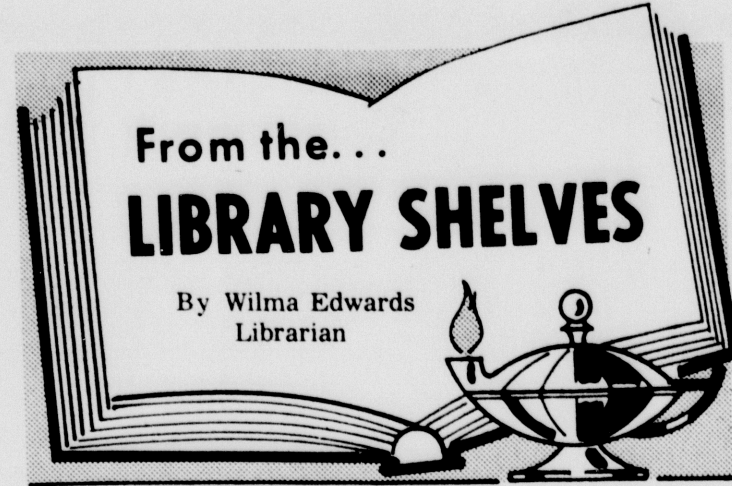

The noon meal was unusually good, the business session was perfect — everything so orderly and nice and efficiently done. That was Hamlin awake, alive again on Saturday, Oct. 7.

So let's repeat this again and again and again — and keep these wonderful people coming back HOME each year to keep us alive and enjoying this wonderful relationship, this friendship, this love, one for another and for our town — and let us begin now to look forward to the largest crowd ever next year and again walk down the crowded sidewalks of Hamlin.

Old Glory

By Bernice D. White

Old Glory school superintendent and teachers attended the District TSTA meeting held in Snyder Monday. Supt. Dalton Gill and County Supt. George Rhoads were delegates to the meeting.

Tuesday and Wednesday of last week Dalton Gill, George Rhoads, Bernice White, accompanied by Jerri Cook of Aspermont attended the second in a series of workshops at ACC in Abilene. The workshops are held for the purpose of helping administrators and bookkeepers with the new requirements in financial accounting for schools.

Two Old Glory men, C. T. Pierce and H. L. Boles, along with Tom Striker of Rule were ordained as deacons in Sweet Home Baptist Church in Rule Sunday afternoon.

Friday, Oct. 13, was a lucky day for Mr. and Mrs. Rickey Boles. A baby girl was born to them on that day.

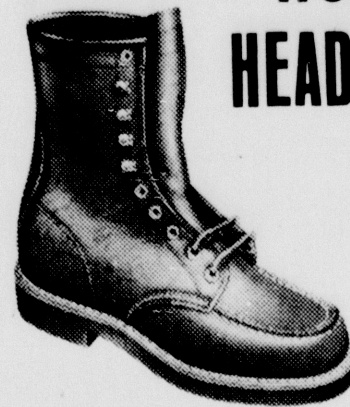

A recent letter addressed to our column by Mrs. Ruth Clear, 1725 Serpentine Drive, Houston, Texas, 77029, asked that old friends write to her. She is the former Ruth Ellison, a 1936 graduate of Old Glory High School. Mrs. Clear's mother, Mrs. W. A. Ellison, died last August.

Herbert Vahlenkamp was elected secretary of the Old Glory Cemetery Association at a meeting held at the school building recently. Committee men are E. H. Diers and B. A. Erdman. The group plans to hold another meeting in the near future in order to make plans for cleaning up the cemetery.

Sympathy is expressed to the family of Edwin Thane. Mr. Thane died in his home near Stamford Friday morning. Funeral services were held in Faith Lutheran Church in Sagerton Sunday. Mr. Thane lived in our community for a number of years, and his friends and relatives here were saddened to learn of his death.

Neinda Philosopher Tackles, But Gives Up, Big Cities Financial Problems

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One struggles with another problem this week, without finding an answer.

Dear editor:
According to an article I found in a newspaper yesterday the cities of the United States

spent one and a quarter billion more dollars than they took in last year.

Revenues of all city governments in the country totaled 37.4 billion dollars last year, a gain of 4.7 billion over the previous year, but the cities spent 39.1 billion. In other words, they're going in the hole.

I got to thinking. That's

exactly the shape farmers were in when there used to be a farm problem. It was costing them more to produce a crop than the crop was bringing in, and the problem was wrestled with on all levels until it finally was whipped.

The way it was whipped was simple: farmers mostly just disappeared. From 55 percent of the population they dwindled to 40 percent, then to 20 percent, and now, finally, they're down to less than 7 percent.

When you're only 7 percent of the total population, with only 7 percent of the vote, you're no longer a problem.

Now with cities, I don't know. If they're taking in more money than ever before and still not making ends meet and still not meeting the needs of their citizens, the supposition might be, let nature take its course, what worked with the farm problem ought to work with the city problem, but there are some perplexing questions going unanswered.

For example, what do you do with a city that gives up? Tell its citizens to move to town and get a job? With an abandoned farm, you can always put it in grass and run cattle on it, but with a city, there's so much pavement and cement I'd feel sorry for the man who tried to graze it. Oh, there're some lawns you might run goats on, and backyard swimming pools would make fairly good stock tanks, but on the whole I'd say the range conditions in Abilene or Fort Worth would be of a very poor quality and hardly worth fencing.

I'm sorry, I just don't have the answer to this problem. I will try to work on it some more later.

Yours faithfully,
J.A.

Paul Bryan, a patient at Hamlin Memorial Hospital, was visited over the weekend by his sister, Mrs. J. C. McConnel, and Mr. McConnel of Dallas.

Visiting with Mrs. F. T. Wallace Saturday night and Sunday were her son and family, Mr. and Mrs. Dwight Wallace, Pam and Brent of Richardson.
